

Appl. No. 10/600,517  
Amdt. Dated Feb. 24, 2005  
Reply to Office Action of January 14, 20045

### REMARKS

At first, the applicant appreciates the examiner's allowance of claims 7-12 and indication of allowability of claim 3.

#### ***Claim Rejections under 35 U.S.C. 103(a)***

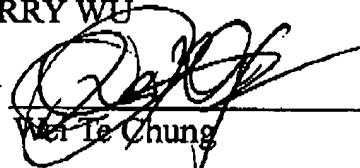

Claims 1, 2, 4-6 and 13-15 are rejected under 35 U.S.C. 103(a) as being unpatentable over Paagman 899 in view of Guletslky, Huber, Dechelette and Nakamura.

In this regard, the applicant has amended claim 1 to incorporate the subject matter originally defined in claim 3 which the examiner thinks patentable over the cited Prior Arts. Now, claim 1 should be formally allowed. Thus, claims 2, 4-6 and 13-15 should also be allowable since their dependency from claim 1.

In view of the above claim amendments and remarks, the subject application is believed to be in a condition for allowance and an action to such effect is earnestly solicited.

Respectfully submitted,  
JERRY WU
